

INTERNSHIP OPPORTUNITY

The International Centre for Reproductive Health – Kenya (ICRHK) is a local non-profit organization that works in the area of sexual and reproductive health research and intervention programs. Our projects are in the thematic areas of HIV/AIDS, Family planning, RHMNCH and sexual and gender-based violence. Our staff include experts in public health, clinical services, research, project management and data.

ICRH is dedicated to providing young people with opportunities to learn, improve their expertise and gain technical skills to complement their studies. To this end, ICRHK aims to hire an intern, to be assigned to various study and intervention projects and to carry out ongoing work within the organization. Following the planned four month internship program, applicants will have acquired practical work experience to enable them to have a competitive edge in their job search.
