INTERNATIONAL CENTRE FOR REPRODUCTIVE HEALTH KENYA

EXPRESSION OF INTEREST (EOI): COSTING OF BIRTH COMPANION

EOI NUMBER: ICRHK | EOI | 20 | 2023

**Vacancy Announcement - Individual Consultancy
Costing for the Birth Companion Package**

Vacancy Announcement period 13th – 17th February, 2023

TERMS OF REFERENCE

Costing for the Birth Companion Package	
Hiring Office	International Centre for Reproductive Health - Kenya (ICRHK)
Background	ICRHK in collaboration with Jhpiego is conducting an implementation science study on having a birth companion intervention package in Murang'a and Machakos Counties. Having a birth companion (BC) is a simple and low-cost intervention that can improve both maternal and newborn health outcomes and maternal experiences. Our study aims to evaluate the impact of a Birth Companion intervention package on penetration/coverage of birth companions during labor, birth, and the postnatal (up to 24 hours) period. The County governments of Murang'a and Machakos have been engaged to conduct research and implement Birth companion intervention packages in twenty four (24) health facilities in these two Counties. ICRHK wishes to engage an Individual Consultant with expertise in economic evaluations, health financing studies and costing of health related interventions.
Purpose of consultancy:	The purpose of the Consultancy is to develop a Costing Approach and Methodology for the Birth Companion (BC) Intervention Package.
Scope of work:	Working closely with the ICRHK Research Team and with overall guidance from the Jhpiego costing specialist, the Consultant will undertake the following tasks:
Description of services, activities or	a) Develop an over-arching approach to costing BC intervention, including reviewing existing literature on costing for the interventions b) Develop study specific costing methods and costing data collection template

outputs:	c) Orient BC team on costing methodologies, tools, processes and test the tools d) To collect relevant cost data and data entry e) conduct the analysis with support from the Jhpiego costing specialist
Duration and working schedule	The Consultancy will run for 30 days, spread across a period of 3 months with a possibility for extending both number of days within the 3 months and duration period.
Place where services are to be delivered	Mombasa with some travel to selected facilities in Machakos and Murang'a counties
Delivery dates and how work will be delivered (e.g., electronic, hard copy etc.)	The deliverables for the consultancy will be ; 1. Inception report 2. Literature review on costing of birth companion package 3. Development of data collection tools and methods 4. Draft zero of the field report 5. Final formatted report 6. PowerPoint presentations
Monitoring and progress control, including reporting	Weekly email and/or calls with ICRHK Research Team and Jhpiego costing specialist to discuss progress, share drafts and reports and discuss way forward
Supervisory arrangements	The consulting consultant will work under the ICRH Principal Investigator with support from the ICRH MEL Advisor and Program Officer
Expected travels	There is expected travel outside Mombasa for fieldwork. The costs of the travel will be catered for by ICRH.
Required	The Consultant is expected to have the following minimum qualifications:

expertise, technical skills, qualifications and competence, including language requirements:	1. At least a master's degree in Health Economics, Public health, Social Sciences, Health Systems or other relevant fields 2. At least 10 years of progressive professional experience in health evaluation and costing of intervention packages 3. Demonstrated technical experience in economic evaluations and health financing studies in Kenya 4. Demonstrated successful experience in developing costing models, tools and manuals 5. Experience in development of study tools and methodologies 6. Strong analytical and research skills (both quantitative and qualitative) 7. Experience of working with Kenyan health sector 8. Fluency in English with excellent writing, analytical and communication skills 9. Evidence of relevant experience on the subject matter to be submitted with the application i.e., Document(s) developed by the Consultant 10. Ability to work with a multi-disciplinary Team of Experts
Other relevant information or special conditions, if any	COVID 19 protocols shall be observed as per the Ministry of Health guidelines.
Other Considerations	The consultancy rates are pegged to national consultancy consideration rates as per the harmonized rates for the recruiting organization
Interested candidates are requested to send their Expression of Interest, Financial Proposals, Curriculum Vitae and a Sample of previous written assignment to procurement@icrhk.org by 17th February 2023 at 5:00pm
