

TERMS OF REFERENCE (ToR) FOR THE DEVELOPMENT OF THE INTERNATIONAL CENTRE FOR REPRODUCTIVE HEALTH KENYA (ICRHK) STRATEGIC PLAN (2026-2030)

1.0 Background

The International Centre for Reproductive Health Kenya (ICRHK) is a leading national non-governmental organization dedicated to improving the sexual and reproductive health (SRH) and rights of vulnerable communities in Kenya. With over two decades of experience, ICRHK has implemented high-quality, evidence-based interventions in partnership with the government, communities, and donors. The current strategic plan is nearing its end, necessitating a new forward-looking roadmap to guide the organization's work from 2026 to 2030, aligning with national and global health priorities.

2.0 Objective

ICRHK seeks to engage a qualified and experienced consultant or consultancy firm to facilitate a participatory and comprehensive process for the development of its five-year Strategic Plan for the period 2026-2030. The objective is to produce a high-quality, actionable, and sustainable plan that will define the organization's vision, mission, strategic pillars, and institutional goals for the next five years.

3.0 Scope of Work

The consultant will undertake the following key tasks:

3.1. Inception Phase:

- Review and analyze key organizational documents, including the previous strategic plan, annual reports, policies, and donor reports.
- Conduct an inception meeting with the ICRHK leadership and a designated task force to agree on the methodology, work plan, and key deliverables.
- Develop and submit an inception report detailing the understanding of the assignment, proposed methodology, and a detailed work plan.

3.2. Situational Analysis:

- Conduct an in-depth internal and external analysis (e.g., SWOT, PESTLE) of the environment in which ICRHK operates.
- Facilitate a series of consultative sessions with key stakeholders, including the Board of Directors, management, staff, partners, donors, beneficiaries, and relevant government agencies.
- Synthesize findings from the document review and consultations into a comprehensive report that will inform the strategic direction.

3.3. Strategic Framework Development:

- Facilitate a strategic planning workshop with the ICRHK team to:
 - Review and, if necessary, redefine the organization's vision, mission, and core values.
 - Identify and validate key strategic pillars and thematic areas for 2026-2030.
 - Formulate clear strategic objectives, key result areas, and performance indicators for each pillar.
- Develop a results-based monitoring and evaluation (M&E) framework for the strategic plan.

3.4. Drafting and Finalization:

- Prepare a first draft of the Strategic Plan (2026-2030) based on the workshop outcomes and analysis.
- Integrate feedback from the ICRHK leadership and task force into a final, comprehensive document.

- Prepare a summary presentation of the final strategic plan for the Board of Directors.

4.0 Deliverables

The consultant is expected to produce the following deliverables:

- Inception Report:** Outlining the methodology and detailed work plan.
- Situational Analysis Report:** A comprehensive report of findings from the document review and stakeholder consultations.
- Draft Strategic Plan:** A complete draft document for review.
- Final Strategic Plan Document (2026-2030):** A final, professionally formatted document, incorporating all feedback.
- Final Presentation:** A PowerPoint or similar presentation summarizing the final plan.

5.0 Duration and Reporting

The consultancy is expected to be completed by end of December 2025. The consultant will report directly to the ICRHK Country Director and the designated task force.

6.0 Required Qualifications and Experience

The consultant or team must demonstrate the following qualifications:

- A minimum of a Master's degree in a relevant field such as Public Health, Organizational Development, Strategic Management, or a related social science discipline.
- Proven experience of at least 10 years in strategic planning and organizational development, specifically for non-profit organizations or NGOs in the health sector.
- Demonstrable understanding of the health landscape in Kenya, particularly in sexual and reproductive health including research.
- Excellent facilitation, communication, and report-writing skills.
- Experience in conducting extensive stakeholder consultations.
- Previous experience working with a similar organization in Kenya or the East African region is an added advantage.

7.0 Application Process

Interested and qualified consultants should submit a single document containing the following items to hr@icrhk.org by **September 5, 2025**:

- A technical proposal detailing your understanding of the ToR, proposed methodology, work plan, and a list of key personnel.
- A financial proposal with a detailed breakdown of costs.
- CVs of the lead consultant(s) with at least three (3) professional references.
- A portfolio or examples of similar work done.
