

Attachment 1:	Job Description
Title of Position:	Project Assistant
Date of job description:	9 th October, 2025
Reporting to:	Senior Programs Officer

Job Summary: Working closely with the Senior Programs Officer, the Project Assistant has the responsibility of assisting planning and coordination of project activities within the organization. He/she will receive guidance and mentorship as part of professional growth

Roles and responsibilities

Program Implementation Support:

- Assist in planning and coordinating project activities, workshops, trainings, and advocacy meetings.
- Support field activities including project field teams and stakeholder/community engagement.
- Maintain proper documentation of project activities including meeting minutes, reports, and success stories.
- Assist in drafting and editing program-related correspondence, presentations, and knowledge products.

Monitoring, Evaluation, and Learning (MEL)

- Support the collection, entry, and verification of program data.
- Assist in tracking project indicators and maintaining updated databases.
- Contribute to preparation of activity reports, quarterly updates, and donor reports.
- Document lessons learned, best practices, and case studies from program implementation.

Stakeholder Engagement

- Provide logistical support for partner meetings, advocacy forums, and outreach activities.
- Ensure timely communication and follow-up with partners and beneficiaries.
- Act as a point of contact for partners and beneficiaries, responding to routine inquiries.

Administrative and Logistical Support

- Assist in the preparation and submission of IRB and other ethical approval requests.
- Support procurement requests and requisitions in line with organizational policies.
- Assist in organizing travel, accommodation, and logistical arrangements for project staff and stakeholders.
- Maintain proper filing systems (hard copy and electronic) for program documents.

Financial and Logistics Support

- Support preparation of activity budgets, expense tracking, and financial documentation.
- Arrange transport for staff during field activities.
- Ensure accountability and proper use of project resources.

Field Support

- Assist supervisors and field teams with administrative approvals at County and National level community entry.
- Support monitoring visits and documentation of field activities.
- Assist in resolving logistical or operational challenges during fieldwork.
- Support reimbursement of participant incentives as needed and as guided by the data manager.

Qualifications

- A bachelor's degree in social sciences, Project management, Statistics, Economics, Public Health, Community Development, or a related field.
- At least 6 months–1 year of experience (including internship or volunteer work) in project or administrative support.
- Interest in reproductive health and rights, gender equality, and community development.

Skills and Competencies

- Strong organizational, coordination, and multitasking skills.
- Good interpersonal and communication skills (both written and oral).
- Proficiency in MS Office (Word, Excel, PowerPoint) and basic data management.
- Ability to work well in a team and travel to field sites when required.
- Commitment to sexual and reproductive health, gender equality, and human rights principles.
