B-

Research

Practical Exposure

Conducted desk based research using academic journals, policy briefs, and institutional reports, ensuring data accuracy and proper referencing.

Served as an Assistant Researcher to a university lecturer, supporting literature review, data collection, and organization of research materials while observing research ethics and confidentiality.

Supported research and analysis on social wellbeing, governance, and conflict sensitive policy frameworks, with relevance to staff resilience and institutional support systems.

Contributed to the assessment of systemic and operational challenges affecting individuals in high stress environments, drawing parallels to humanitarian and field based contexts.

Assisted in drafting analytical briefs and summaries to support evidence based decision making and stakeholder engagement.

Conducted literature reviews and compiled research materials relevant to project objectives.

Supported transcription and organisation of qualitative research data.

Assisted in preparing research documentation and summaries of findings.

Strengthened skills in academic research, data analysis, and research reporting.

Volunteer

Wamumbi Foundation

Supported youth empowerment initiatives focused on mentorship, leadership development, and life skills.

Participated in community visits to orphanages, offering psychosocial support and engaging children in empowerment activities.

Strengthened teamwork, leadership, and community mobilization skills.

Contributed to documentation of activities, outcomes, and lessons learned for internal reporting and partner updates.

Flow of Compassion Foundation

Supported outreach programs providing sanitary towels to primary school girls.
Assisted in organizing activities focused on girls' welfare, dignity, and education.
Demonstrated commitment to social responsibility, gender empowerment, and grassroots development.
Promoted menstrual health awareness and dignity among adolescent girls.
Assisted in documenting programme activities and collecting feedback from beneficiaries.
Supported coordination between volunteers, schools, and programme organisers.
